

COVID-19 SAFETY PLAN
ALBANY BIRKENHEAD COLLEGIANS HOCKEY CLUB INC

Date of Issue: 26/05/2020

Revised:

Activity	Requirements	Who is Responsible
Any Hockey Related Activity	Everyone who attends a hockey related activity must be well. This includes training, games, meetings and social events. Anyone who is feeling unwell should stay home and seek appropriate medical advice.	Everyone
Individuals Contact Tracing at NHC	All players / coaches / managers / spectators etc must sign in to the NHC using their CHECKIN-19 system.	Everyone
Individuals Contact Tracing at External Turfs	All players / coaches / managers / spectators etc must sign in to the NHC using our ABC Hockey Club IDMe App.	Everyone
Team Contact Tracing Individuals	Each team must contact trace everyone who is associated with them for each training, game or hockey related activity. For some teams this will be using the Heja App that they use for team communications for others they will need to keep a record electronically so it can be passed on to Harbour Hockey if requested.	ABC COVID-19 Team Representative
Team Contact Tracing Group	Each team must complete the NHH google form within 12 hours to register that they held a training. The form to complete is HERE	ABC COVID-19 Team Representative
Using Personal Equipment	Personal equipment must not be shared. This includes but is not limited to drink bottles, mouthguards, shin pads, hockey sticks, gloves, PC masks and goalie gear.	Everyone
Using Team Equipment	Team equipment must be sanitised before and after use. Cones should only be set out and collected by one or at most two people. Balls should be hit or kicked back for collection rather than picked up with multiple sets of hands.	Everyone
Cleaning Dugouts and Facility after use	Any lost property left behind after training or games will be put in the bin. The dugout and surrounds should be checked and cleared before you leave so that nothing is left behind. The dugouts at the NHC will require a quick sanitation clean before you leave so the next group has a clean facility.	ABC COVID-19 Team Representative
